CARE INSTRUCTIONS

- When using the Wheelchair, please pay attention to people and/or items around to avoid collision.
- Lock the wheels before getting in and out of the Wheelchair.
- When getting in and out of the Wheelchair, please do not stand on the footplates.
- The footplates should be folded up / detached beforehand.
- Pay attention to the shift of the Center of Gravity when on elevated grounds.
- When passing through doors or arches, make sure that there is enough room to avoid causing injuries to the user, or the Wheelchair.
- Do not exceed the maximum safe working load.
