NORMANDIE GERIATRIC CHAIR

PRODUCT OVERVIEW

For illustration purposes only

Normandie Geriatric Chair is a Modern Take on a Classic, designed for the user's needs and comfort. Perfect in its contours, it features a maximum backrest recline of 130° with accompanying extended Foot Rest, Detachable Table, comfortable high-density foam upholstery and generous seating space.

It comes with Seat Belt and Wheel Locks on all four castors to ensure it stays in a secure position. Arm Rests are height adjustable to suit unique individuals' preference. Head Rest can also be easily removed and adjusted accordingly.

NORMANDIE GERIATRIC CHAIR

PRODUCT FEATURES

ADJUSTABLE ARM REST

Pull the lever to adjust the height of the arm rest

RECLINING LEVER

Pull the lever to recline the chair's back & foot rest

DETACHABLE TABLE

Insert table into the two holes underneath the arm rest then tighten the two knobs to secure it

For illustration purposes only

CARE INSTRUCTIONS

- Ensure the wheels are locked before getting in and out of the Geriatric Chair.
- Use the safety belt to prevent user from sliding out of the chair
- Pay attention to the shift of the Center of Gravity when on elevated grounds
- When passing through doors or arches, make sure that there is enough room to avoid causing injuries to the user, or damage the Geriatric Chair
- Do not exceed the maximum load
